COMPANY OVERVIEW

Motion Mox Health Services is a dedicated provider of specialized therapeutic care, committed to empowering individuals with mental disabilities through personalized and evidence-based interventions. Founded on the principles of inclusion, innovation, and compassion, our mission is to enhance the quality of life for children and adults facing challenges such as Autism Spectrum Disorder (ASD), Down syndrome, and other intellectual disabilities. By offering tailored therapies, we aim to foster independence, communication, and emotional well-being, while supporting families and communities in Namibia. Our services are delivered by qualified therapists registered with the Health Professional Council of Namibia, ensuring the highest standards of professional care and compliance with national regulations.

Our services are also inclusive of any patients needing our care, complementing government and local initiatives to promote accessible health care for all.

SERVICES OFFERED

We specialize in individualized therapeutic programs that address the unique needs of our clients.

OUR CORE OFFERINGS INCLUDE:

- ✔ **Occupational Therapy:**
Focused on developing daily living skills, fine motor abilities, and sensory integration to promote independence and participation in everyday activities.
- ✔ **Speech Therapy:**
Customized sessions to improve communication skills, language development, and social interaction, helping clients express themselves effectively.
- ✔ **Behavioral Therapy:**
Evidence-based approaches, such as Applied Behavior Analysis (ABA), to manage behaviors, build positive habits, and enhance emotional regulation.
- ✔ **Play Therapy:**
Engaging, child-centered techniques that use play as a medium for healing, self-expression, and skill-building, particularly beneficial for younger clients.

While our primary focus is on individuals with mental disabilities, our services are inclusive and available to the broader community, ensuring holistic support for diverse needs.

Our Founders

Motion Mox Health Services was co-founded by two passionate professionals with deep expertise in special needs education and therapy:

Ms. Victoria Joel

A renowned special needs teacher and the founder of COHA Inclusive School, Ms. Joel brings a wealth of experience in social entrepreneurship and inclusive education. Her dedication to empowering people with disabilities has driven impactful programs that promote equality and community integration in Namibia.

Kevin Muzangaza

With over 10 years of experience as a behavioral therapist, Mr. Muzangaza specializes in therapeutic health care for individuals with mental disabilities. His expertise in creating supportive environments and implementing effective interventions has transformed lives, aligning perfectly with our vision of accessible, high-quality care.

Together, our founders combine their strengths to create a sustainable enterprise that not only delivers exceptional services but also contributes to Namibia's social and economic development.

We invite you to connect with us to learn more about how Motion Mox Health Services can support you or your loved ones.

Our team is here to provide compassionate, professional guidance every step of the way.
